

Week 6 - Take Action

Companies Don't Drift Into Simplicity

Be prepared to talk about why simplicity is so important in your organization and familiarize yourself with the Microsoft and PARC examples.

Read page 106, paragraph 2, list two key takeaways.

- _____
- _____

Please review the six points on **Getting To Simple** on pages 108-110 and be prepared to discuss.

- Rules Align with Mission, Vision, & Purpose
- Make It Easy To Do Business With You
- Eliminate Redundancy
- Eliminate Unnecessary Meetings & Bureaucracy
- Ask Tough Questions About Every Position
- Assess How You Are Spending Your Time As The Leader.

"When you optimize the system, you improve service for your customers and help your human workers succeed."
