

## Week 7- Take Action

### Pressure Test Your Ethics

How do you ensure alignment between messaging and actions at all levels of the organization?

What ethical or value-based training is conducted in your organization?

What guardrails or rules do you have to help employees succeed and stay honest?

How do you avoid creating pressure to perform?

Discuss the Decision-making process pg. 135-136

- Recognize the Need for a Decision
- Generate Alternatives
- Assess the Alternatives
- Choose Among the Alternatives
- Implement The Alternative
- Learn from the feedback

Describe an ethical dilemma you witnessed or experienced. How could this have been avoided?
