

Week 8- Take Action

How do you ensure you have the right people in the right roles? Inherent and acquired diversity.

Invest in the human worker to add compounding value to the organization. What inputs are you making to increase mission-critical hours (page 164)

Understand how to **empower people** (168)

Recognize outstanding performance. Are you leaving employee recognition to chance?

What do you do to eliminate fear?

Remember a time when someone's faith in you inspired you to be the best you could be?

Review Essential Elements to Rehumanizing the Workforce (207-210)

- Check off the ones you do well
- Highlight the ones that need work
- List 3 to work on (be prepared to discuss).

Ultimately the BEST Robot Wins!

"Business is my sport!"
